# WHY WE EXIST

## WE'RE HERE TO SERVE

**General Distributing Company** is a 3rd generation family owned business dedicated to investing in, inspiring, and empowering people so that together we succeed and grow. We've been serving our customers and local communities since 1948. We have an established group of industry experts that possess a valuable combination of personalized

service, a solution oriented mindset and industry experience to make sure that you get the right solution for your application. Our team serves you best by understanding the individual needs of your company and delivering products that help you be more productive, more efficient, and more profitable. A steadfast commitment to living our core values is the backbone to how we operate.

# HOW WE OPERATE

## WE VALUE RELATIONSHIPS

- People come first in everything we do.
- We are focused on solving problems and providing solutions.
- We make it easier for people, both internal and external, to do business with us.

## WE DO WHAT IT TAKES

- We are passionate about achieving excellence.
- We go above and beyond for our team and our customers.
- We are united in supporting each other no matter what it takes.

## WE DO THE RIGHT THING

- We create a safe working environment for everyone, emotionally and physically.
- We don't cut corners for our own personal gain.
- We make decisions and act with honesty and integrity.

## WE DEVELOP OUR PEOPLE

- We invest in our employees through continuous education, training, and empowerment.
- We create a corporate culture that inspires and rewards individuality, creative thinking, innovative ideas, courage, teamwork, and fun in the workplace.
- We lead by example.

## WE ARE RESULTS-DRIVEN

- We set strategic goals and objectives and track them regularly.
- We implement processes to guarantee future success.
- We look for ways to improve our customers efficiency, productivity, and profitability.

# MEDICAL GASES

General Distributing Medical Gas division provides a comprehensive line of medical gases. We offer the following gases in a variety of forms, sizes and delivery systems:

Oxygen	UHP Argon
UHP Oxygen	UHP Helium
USP Co2	Liquid Nitrogen
Nitrous Oxide	Liquid Oxygen
USP Compressed Air	Blood gas mixtures
Helium	Laser Mixtures
Nitrogen	Lung Diffusion Mixtures
Nitrogen NF	Specialty Gas Mixes

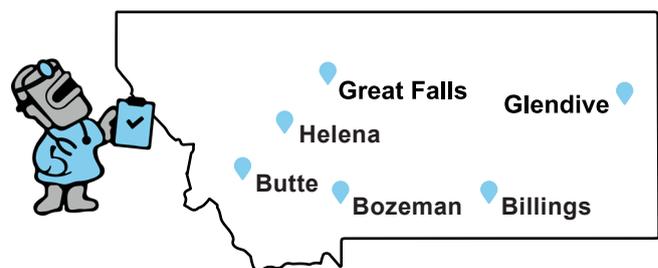

General Distributing employs a team of top professionals and our knowledge of the medical industry sets us apart. We provide:

- Innovative solutions
- Product expertise
- ASSE Certified team
- Licensed cryogenic installer
- 24/7 Support

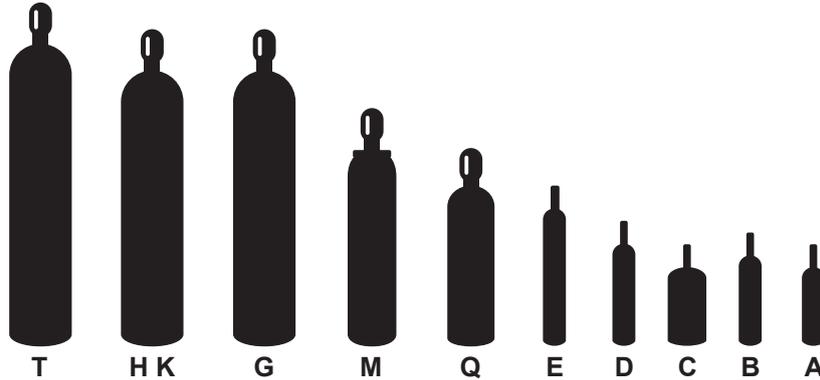

Our onsite certified experts can immediately respond to any cryogenic needs or emergencies and delivers quick turn-around time so that your business never suffers from inconvenient downtime.

## FOUR STATE-OF-THE-ART MEDICAL GAS FILL PLANTS

Our bulk Fill Plants are strategically placed throughout the state of Montana to better serve our customers both in cities and rural areas. Located in **Great Falls, Butte, Billings, and Glendive.**

## CYLINDER SIZE CHART

### OXYGEN | O<sub>2</sub> (CYLINDER COLOR IS GREEN)

LETTER	CUBIC FEET	LITERS	D.O.T. #
D	18	509	2015
E	22.5	645	2015
Q	80	2265	2015
K	250	7079	2015
DEY	124	3511	2015
T	337	9542	2400

### NITROUS OXIDE | N<sub>2</sub>O (CYLINDER COLOR IS BLUE)

LETTER	POUNDS	LITERS	D.O.T. #
E	6.7	1532	2015
20#	20	2172	2015
G	50 TO 56	13800	2015

### NITROGEN NF | N<sub>2</sub> (CYLINDER COLOR IS BLACK)

LETTER	CUBIC FEET	LITERS	D.O.T. #
E	22.5	594	2015
Q	80	2265	2015
T	304	8608	2400

### MEDICAL AIR | MEDICAL AIR (CYLINDER COLOR IS YELLOW)

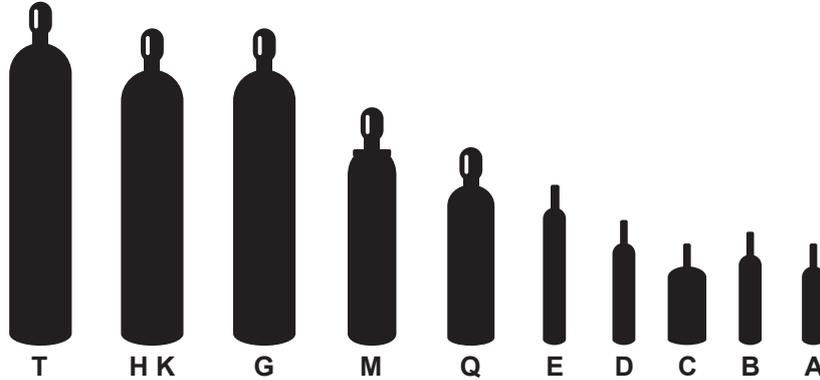

LETTER	CUBIC FEET	LITERS	D.O.T. #
E	22.5	645	2015
T	304	8608	2400
150 AL	150	4247	2015

### CARBON DIOXIDE | MEDICAL CO<sub>2</sub> (CYLINDER COLOR IS GREY)

LETTER	POUNDS	LITERS	D.O.T. #
E	7	1532	2015
50#	50	13800	2015

*Pressure & cubic feet varies with gas type & molecule compound*

## CYLINDER DURATION CHART FOR MEDICAL OXYGEN

Cylinder	A M6		C M9		D		E		H K		T	
Capacity (liters)	164		255		425		680		6900		7800	
Full Pressure	2015		2015		2015		2200		2200		2600	
Flow Setting (lpm)	Minutes	Hours										
0.25	590	9.8	459	15.4	1532	25.6	2472	41.2	25,334	422	31,200	520
0.5	295	4.9	459	7.7	766	12.8	1236	20.6	12,667	211.1	15,600	260
1	148	2.5	230	3.8	383	6.4	618	10.3	6333	105.6	7,800	130

# MEDICAL EQUIPMENT & SUPPLIES

It is our mission to provide the best service and most reliable and safe equipment into the hands of the medical professionals that we work with. We are constantly improving and adding to our long list of product lines to keep up with trends and technology to better serve our customers.

The following is just a sample of the variety of products we provide to hospitals, home healthcare agencies, surgery centers and medical offices:

- Medical Air & Medical Vacuum Systems
- Medical Bulk and Gas Manifold Systems
- Blenders
- Flow Meters
- Oximeters
- Portable & Stationary Suction Equipment
- Wall Mount Vacuum Regulators
- Regulators/Conserving Devices
- Medical Disposable Supplies
- Stationary & Portable Oxygen Concentrators
- Medical Gas Connections & Custom Hose Assemblies
- Ultrasonic (UT) Medical Cylinder Testing
- Analogue & Digital Medical Oxygen Regulators

*We're a company dedicated to serving and supplying our medical customers for the life of their business.*
